

MALAPERT TRIBUNE

A Newsblog of the Malapert Resort Community

ETERNAL LIGHT CASINO: Malapert's Largest Casino Grand Opening Tonight. With Luna's biggest swimming pool; you will be happy with ELC no matter what your gambling tastes are. The 55,000 square foot casino floor hosts more than 1,500 + slot machines (video, reel and v.p.). There is a 14 table poker room and 7 fully stocked bars, with happy hour snacks provide to our guests every cycle, all cycle.

HOT SPRINGS RESORT: Lunistar Springs Casino Hotel now has unparalleled amenities and services. There is a luxury pool on the top of the multi-level cavern as well as indoor and outdoor hot tubs. Bet you didn't know there was that much water on the Moon! Escort services of all kinds—use your imagination! Fantastic views, parties all night long!

Malapert News: The **Resort Administrative Board** met last Tuesday cycle at the Provincial Government Facility in Malapert Lower. The president of the committee, The Honorable Jacob Anastasia, accompanied by two nubile human escorts fresh out of I&T, reported at the meeting that Malapert resort has once again increased its profitability for the fourth straight year. The pharma was flowing as the meeting adjourned and the after-party continued until the next cycle.

Romantic Mishap: A Visitor from Singapore sustained minor injuries when her escort short circuited. The elderly visitor and her boyfriend, a RomanceBot model 22, were enjoying a quiet evening of wine and classical music in a room at the Farside Hotel & Casino when the mishap occurred. Lady Gaga Opus *Government Hooker* was playing when the robot's head exploded, spewing flaming electorganic components throughout the chamber. Malapert Emergency Services responded.

Southern Hemisphere News: The **mayor of the City of Shackleton** has declared that the city will default on payments for their municipal bond obligations. The bonds were issued some five years ago. Shackleton, plagued with inefficient management since its founding, will be required to place the Shackleton Crater Infrared Telescope Facility and other municipal assets up for auction under the auspices of the Southern Hemisphere Provincial Government. The date has yet to be set.

Luna Day Celebration: The July 20th **Luna Day** Celebration will be sponsored by the Malapert Resort Administrative Committee this year and held in the Village Square. Malapert's best light show yet!
